- 4) O & M Policy for EOHWC

Discussion took place on the need to establish and implement EOHWC O&M policy – specifically including how to determine appropriate set-aside amount for O&M costs (i.e. as percentage of construction cost, per cost estimates of design engineer, or other method of calculation); designated duration of O&M (after completion of project); and a decision as to

whether EOHWC or the municipality (Town of project) is to take on responsibility for O&M and/or its cost.

Action Items:

- Rich Williams will prepare a draft policy for further discussion and review.
- Draft EOHWC policy will require review of full board at next quarterly meeting (December 6, 2013).
- When policy is formulated, presentation will need to be made to DEC.

5) Year 3 & Year 4 Project Status

Rahul Verma discussed and reviewed Year 3 and Year 4 project status.

6) Update on New Employee Position

Advertising/Job Posting has begun for Project Engineer position (local newspapers; EOHWC website and local job boards).
